**Don't Delay—Register your Team today!**

*Royal New Kent has been called "the truest representation of an Irish links in America." The generous, contoured fairways occasionally demand blind shots. The par 72 design features over 120 bunkers, many are deep shadow bunkers lined with fescue grass. The enormous, fast greens have bold swales and ridges. Each hole offers several playing options. Don't miss this one!*

# About Our Charity

## The Good Kid Sports Clinic Mission

George "Good Kid" Susce  
8/13/1907  
to  
2/25/1986

The Good Kid's Sports Clinic is a fun-filled day of learning for both young people and adults. Some of the finest professional and high school players, coaches, and educators will teach youths and their parents good sportsmanship, how to play ball, and how to deal with issues facing today's children.

## The Good Kid Sports Clinic Programs

The Good Kid Sports Clinic programs include softball, baseball, basketball and soccer clinics. Each clinic reaches out to all young, impressionable boys and girls through sports to help them build a positive self image while they have fun and improve their sports skills and knowledge. Each sports clinic strives to accomplish the following :

- Builds skills and character
- Stresses teamwork
- Sends a clear anti-bullying, anti-violence message
- Sends a clear anti-substance abuse message
- Provides home gun safety instruction
- Stresses appropriate conflict resolution
- Offers quality time to strengthen the parent/child relationship
- Offers children autograph sessions with the clinic's sports heroes
